Jon MARGARIT

REF: NOV-A-18563

1. The identification of TRAJAN in projects 114, 115 and 116 is now an academic question, but for the sake of clearing up neglected correspondences he can be identified as Jon MARGARIT, USACN's right man for PAPABERG affairs.
2. It could be argued that he is a sort of composite MARGARIT since, if you will remember these three projects were national and submitted by USACN in the days when he was still a member of SV A and unwilling to divulge true names, facts and plans through that organization.
